

ATTENTION!!!
Animal health rules for racehorses in POLAND

1. Horses must be vaccinated against Equine Influenza according to the following:
 - primary vaccination (two vaccinations, within a minimum of 21 and maximum 92 days time period);
 - booster vaccinations must be given every six months (grace period is 21 days);
 - if the last vaccination exceeds the grace period (6 months + 21 days), the primary vaccination needs to be repeated;
 - any vaccination must be carried out not later than 7 days before a start in a race.
2. Horses must be tested for Equine Infectious Anaemia (EIA).
3. Exclusively horses with negative serological tests results are allowed to participate in races. Results can not be older than 30 days.
4. All tests results must be confirmed in the passport of the horse.
