NORTH EUROPEAN DERBY 2014

Entry Rules

Arabian Purebred foals born in 2010 in Germany, Belgium, Luxembourg, Denmark, Norway, Sweden, Finland, Poland, Russia, Austria, Switzerland, the Czech Republic and the Netherlands can participate in the Derby of 2014 to be held at the Dutch Racetrack Duindigt, or at a race track in one of the other North European countries.

The owner registered as such with the DARC remains responsible for timely payment of the entry fees. Selling of the horse does not mean an automatic withdrawal; however, the DARC must be informed by the new owner whether the new owner wants to maintain the DERBY participation and will act accordingly meaning he/she will pay the fees due.

Any late payment of entry fees can be seen as a withdrawal from the race. Withdrawn horses cannot be re-entered and late entries are not allowed.

Paid entry-fees will be retained and added to the price money.

Withdrawal of the horse will under no circumstances lead to restitution of paid entry fees.

The DARC needs to receive your Derby entry form, along with a copy of the owner's registration form at 31 December 2010 latest, preferably by email as a word attachment, or per fax 0046 372 55177.
