International Race Programme  
2013**

## A message from the owner of Berlin-Hoppegarten racecourse

Dear Madam/Sir,

We are delighted to present to you our programme of Group, Listed and other races of interest for the 2013 season at Berlin-Hoppegarten.

Betting turnover per race at Hoppegarten increased by an impressive 47% between 2008 and 2012 improving our ranking from No 7 to No 3 amongst the German racecourses. The quality of racing in the German capital has increased considerably. Following DANEDREAM's win in 2011 the 2012 running of the Group 1 Grosser Preis von Berlin saw a classy and popular winner in MEANDRE. Since the win of dual Arc heroine CORRIDA in 1937 no French horse of such class had been racing in Berlin. The good prize money of our Group 3 on October 3<sup>rd</sup> (German National day) attracted top horses, amongst them the German Derby winner PASTORIUS.

The 2013 season features **four group races**. The best German race over **3200m (two miles)** is the **Group 3 Oleander-Rennen** on Whit Sunday, May 19<sup>th</sup>. Sunday, June 9<sup>th</sup> features the **Group 2 Diana-Trial** over **2000m (ten furlongs) for 3yo fillies** at level weights. Our best meeting will be on Sunday, July 21<sup>st</sup> with the **Group 1 123<sup>rd</sup> Grosser Preis von Berlin** over **2400m (one mile and a half)** with prize money of €175,000. On the same day we will run **Germany's richest handicap** worth **€80,000** over **1800m (nine furlongs)**. This handicap is now a Listed Race aimed at horses with a minimum rating of 100 (3 yrs old) and 92 (4 yrs old +). The autumn highlight is the **Group 3 Westminster Preis der Deutschen Einheit** over **2000m (ten furlongs)**. Commemorating German reunification this race is always run on Germany's National Day on October 3<sup>rd</sup> – a Thursday this year, with little competition from other big meetings. Prize money of €85,000 is higher than that of any other German Group 3 or indeed Group 2 race for three years old and older horses.

These highlights are supported by **four Listed races**. In cooperation with the German Owners' Association we will stage **three handicaps (Ausgleich II) with €10,000 to the winner** and **five three year old maiden races with €5,000 to the winner**. The Ausgleich II races are aimed at horses rated approx. 64 to 90 (4 yrs old +) and approx. 71 to 100 (3 yr olds), please see the race programme for the exact details. For the third year we are delighted to welcome back on May 5<sup>th</sup> the **H.H. Sheikh Mansoor Bin Zayed Al Nahyan Global Arabian Horse Flat Racing Festival** with two **top races for purebred Arabian horses**.

We offer transport allowances and we will make every effort to make your stay on the track enjoyable. Berlin is one of Europe's most exciting and vibrant capital cities. Sampling Berlin's wealth of cultural attractions and its fine yet affordable hotels and restaurants combined with racing at Germany's largest and best racecourse is an experience I can highly recommend. Looking forward to welcoming you at Hoppegarten.

With kind regards,

Gerhard Schöningh

## **Travel allowances**

Runners in all Group races and in the International Handicap (21<sup>st</sup> July) trained outside Germany are eligible for the following allowances:

Great Britain – €1,000, France – €800, Ireland – €1,200, other countries – on request

The allowance is only payable for horses that have not won prize money of €3,000 or over.

## **Other Benefits**

We will be delighted to offer free lunch in one of our hospitality areas for up to four connections. We will endeavor to make your stay at the racecourse and in Berlin enjoyable. Please contact us for assistance with transport to and from the airport, as well as with bookings for Berlin's many excellent hotels and restaurants.

## **Berlin Airports**

Berlin is well served with international flights from all destinations. Journey times by taxi from the two Berlin airports to Hoppegarten racecourse are as follows:

Berlin-Schönefeld: 40 minutes, Berlin-Tegel: 50 minutes

## **Entering horses trained abroad in handicaps in Germany**

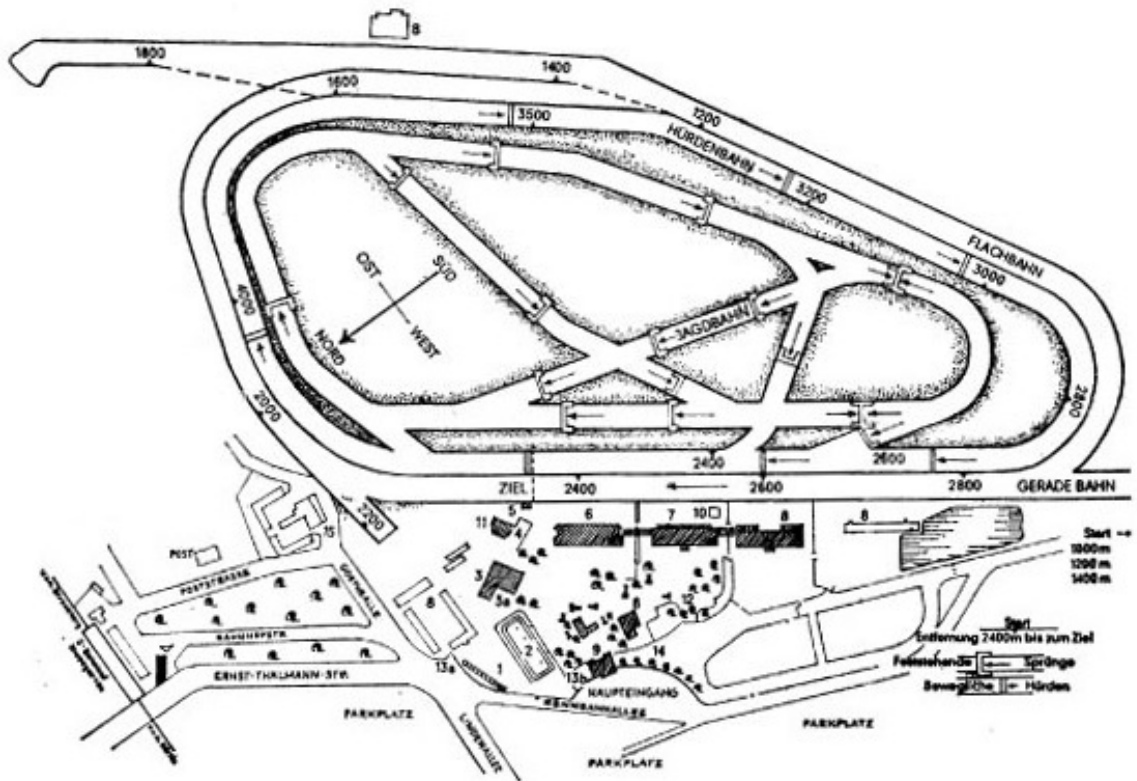

A horse trained abroad can be entered in a handicap if it has won a flat race either in the current year or in the year before and if it is entered in a class C (Handicap II) or class B (Handicap I) race. All handicap races in this document are class C or class B races. The approximate UK rating corresponding to the minimum weight (52 kg or 8st 3lb) is shown for each handicap race. Please note that there is no maximum weight in handicaps under the German Rules of Racing.

## **Supplementary Entries**

Supplementary entries for all races can be made on the day of the declaration to run. The supplementary entry fees are as follows. For all **Group races** and for the **Class B International Handicap** on 21<sup>st</sup> July the fee is 10% of the prize money for the race. For **all other races** the supplementary entry fee is two and a half times of the payments on entry and at the declaration to run.

### Course characteristics

Hoppegarten boasts a galloping and fair turf track measuring 2350m (just under 12 furlongs) in circumference. The run in measures 550m (just under three furlongs) with a slightly uphill finish. Hoppegarten also has Germany's only 1400m (7 furlongs) straight course. Both tracks are 30 meters wide. Built on sandy subsoil, the track drains well and enjoys the benefit of a modern watering system. Consequently, extreme ground conditions are rare.

### A brief history of Berlin-Hoppegarten racecourse

In 1829 Berlin became the second German city to stage thoroughbred racing. About 12 miles east of the city centre, Hoppegarten was chosen as the location for a new green field racing and training centre and opened in 1868. Both race course and training tracks were continually improved and expanded. Hoppegarten soon became the centre of German racing, similar to Newmarket, Chantilly or The Curragh. All classic races, with the exception of the German Derby, were run at Hoppegarten, as well as most other major races in the German calendar. Until 1945 Hoppegarten was the leading national training centre with about 1000 horses.

After the war and following the division of Germany, Hoppegarten found itself in the new Communist East German State. Most top horses were moved to be trained in West Germany and the major races were allocated to tracks in the West. Racing continued through the communist era with about twenty meetings per year but crowds never reached the pre-war numbers. Attendance by West Berliners, who used to account for half of Hoppegarten's visitors, declined sharply and became physically impossible after the construction of the Berlin wall in 1961.

Following German reunification in 1990, efforts were made to restore Hoppegarten to its pre war eminence and several group races were created with the help of high profile sponsors. The ownership of the track and training facilities remained in dispute between central government, the state government of Brandenburg and Hoppegarten's original owner, the Union-Klub (German Jockey Club). As a consequence no major investments could be made and the operation and funding of the race meetings was complicated by the large number of parties involved. In 2005 the race club operating Hoppegarten became insolvent, with the lease falling back to central government. It was then decided to privatise the track by public tender. In March 2008 Gerhard Schöningh became the new owner of the track and training facilities. Hoppegarten is the only racecourse in Germany that is both privately owned and operated.

### **Strategy**

Over the last five years the team at Hoppegarten has been working hard to revive this important historic racing and training facility. Modern hospitality areas have been created. The racing surface and the public areas have been improved gradually and the attention of the regional and national media has been raised significantly.

Between 2008 and 2012 the number of visitors has increased by 81% and the big days now regularly see crowds well above 10,000. In the same period on track betting per race has increased by 47%. In the forthcoming 2013 season owners' prize money incl. breeders' premiums will be nearly €1.25 million at nine meetings, compared to €412,000 in 2008. The number of group races has increased from one to four and four new Listed races have been brought to Hoppegarten, as well as Germany's richest Handicap race worth €80,000 (created in 2011).

Significant investments were made into Hoppegarten's training facilities. Completely separate from the racecourse and incorporating over 200 acres of woodland with 10 km of walking and trotting ground the facilities are second to none in Germany. Until 1945 the German Champion trainer was based in Hoppegarten most years. Local trainer Roland Dzubasz achieved the feat of becoming the first German Champion Trainer from Hoppegarten in reunited Germany. With LIMARO and FLAMINGO STAR he also trains the two top rated two year olds of 2012.

We believe that Hoppegarten is still in the early stages of a sustained and positive development.
